The Nicest People In The World Are

Red Cross Blood Donors

The nicest people in the world are Red Cross Blood Donors . . . and when the Red Cross Bloodmobile makes its second visit of the fiscal year to Appomattox County on September 30, 1975, the people shown above will be on hand to donate just one more unit of blood.

Donoars shown above are, front row, left to right, Donna Woods, a one gallon donor; Mary Martin, a donor of four pints; Darlene Johnson, a donor of four pints; and Sharon Jones who has donated six pints of blood; and on the back row, left to right, are Mike Wolverton, a three pint donor; Joel Carnefix, a seven pint donor; Jimmy Marshall who has donated fourteen pints of blood; and Lee West, an eight pint donor. They are aware that one out of 80 persons will need a blood transfusion this year. Every minute, ten pints of blood are needed. You, too, can save a life . . . be a Red Cross blood donor on Tuesday, September 30th when the Bloodmobile makes its visit to Liberty Baptist Church from noon until 6 p.m.

The Canteen will be furnished by the W.M.U. of Liberty Baptist Church for this visit and a nursery will be provided for workers and donors. Seventeen year olds are reminded that they may donate a unit of blood with parental consent.

The Bloodmobile Program in Appomattox County is sponsored by the Junior Woman's Club with Mrs. Mary Catherine Whitehead serving as their representative. Rev. Earnie Lucas is Chairman of the Blood Program and he is assisted by Mrs. Lucy Harvey.

Blood donors are a special breed of people. They care. How about joining them Tuesday and donating a unit of your blood?

Virginia Fibre Working To Eliminate Odors

It may take a while, but Virginia Fibre Corporation at Riverville has indicated it will make every effort to eliminate the cause of production odors which have brought complaints from area residents, according to John F. Steedley, Virginia Fibre vice president in charge of manufacturing.

Steedley said the latter part of last week that the "cause" of the offensive odor has been found and that they now have to come up with the cure. Problems in starting up the new pulping process since the latter part of July that uses sulphur compound has forced the mill to release an abnormal amount of odor into the atmosphere.

Ivan C. Henson, director of the air control board's Lynchburg regional office, said the objectionable odor slipped up on them because of the new pulping process being used at Riverville. He added that no health hazard was posed by the odor.

Complaints from as far as twenty miles away from the paper mill have been received. Virginia Fibre is aware of the problem and will do everything possible to eliminate the odor as soon as possible.

SCHOOL CROSSING GUARDS ARE HAVING TRAFFIC PROBLEMS

The "crossing guards" at the Appomattox Elementary School and at Appomattox Middle School are having problems with drivers running their flags both in the mornings and at the close of school in the afternoon.

The "crossing guards" are there to protect YOUR children and are trying to do their job, but it is impossible if careless motorists do not stop for their flags.

There is a substantial fine imposed against people in violation of this law. You must stop for school children when the crossing guard has his/her flag out! Please be aware of the danger to school children and obey all traffic laws.

Historical Park Develops New Slide Program For Visitor Center

Appomattox Court House NHP is now showing a new 16 minute slide program in its visitor center which was developed over the past year.

The former program, developed for the centennial ten years ago, will still be utilized for off-site programs and will be shown in the visitor center on request. It provides excellent background material on the Civil War through the use of art work and music.

The new program concentrates on Appomattox and begins in early April, 1865 in the siege lines of Petersburg. Following the retreat of Lee's army it fully develops the events of April 8-12, 1865 using Matthew Brady photographs, period drawings and prints.

According to Superintendent Lusk, "Our purpose in changing the emphasis of the slide program was not to play down the Civil War but rather to fully develop the condition of both armies in 1865 and the significance of Appomattox. The use of period photographs and prints also adds a degree of necessary realism to the production presenting the scene as it was viewed and

Registration For PP&K Closes Oct. 3

Registrations for the area's 16th Annual Punt, Pass — Kick competition for youngsters 8 through 13 years of age will remain open through October 3, 1975 at Lawson Ford in Appomattox.

National Football League Commission Pete Rozelle has described Punt, Pass & Kick as one of the "finest youth athletic programs of its kind" and notes that entrants compete only against other youngsters their own age. Scoring is based on distance and accuracy in punting, passing and place-kicking.

Competition at the local level begins on Oct. 4, 1975 and subsequently moves to Zone, District, Area, Divisional and National levels. No entrance fee or special equipment is required. There is no body contact and participating does not impair a youth's amateur standing.

Youngsters accompanied by a parent or guadian may register at Lawson Ford for PP&K prior to Oct. 3, 1975. This year, locally, the PP&K is being co-sponsored once again by the Appomattox County Jaycees.

Take your youngster to Lawson Ford and let him/her register and participate. Prizes will be awarded to winners in each age division.

1975 Goal Set For $12,500

Henry Pack, Mayor of the Town of Appomattox, and Jim Williams, Mayor of Pamplin, have both proclaimed the month of October as Appomattox County Rescue Squad Month.

In issuing the proclamation, both mayors stated that they were pleased to do this on behalf of the volunteer members of the Appomattox County Rescue for the outstanding work they do and for the service they render the citizens throughout the county.

The 1975-76 Annual Fund Drive will officially begin this year on October 1, 1975 with squad members ready to accept your contributions for operating expenses and to replace or buy needed equipment.

A goal of $12,500 has again been set for this year and the slogan "Help Us - Help Yew" has been adopted by the squad. Without the help and the generous contributions of citizens of Appomattox County, the three ambulances now manned by members of this volunteer organization could not operate.

Due to the time and expense involved in a door-to-door canvass of the entire county by members of the AC squad members have decided to make their canvass in the same manner that was used in the past two years. Spot locations have been set up throughout the county and on Friday night, Oct. 3, 1975, and all day on Sat., Oct. 4, 1975, members will be stationed at various locations to accept your donations.

On Friday night, Oct. 3, 1975, from 5 p.m. until 9 p.m. and on Saturday, Oct. 4, 1975 from 8 a.m. until 9 p.m. squad members will be stationed at Wilbun's and at Triangle Plaza Shopping Center to accept donations from citizens of the county. On Friday night, Oct. 3 from 5 p.m. until 8:30 p.m. squad members will be at Chambers Store and at Marston's Store in Red House to accept donations.

In addition to being stationed at Wilbun's and at Triangle Plaza Shopping Center all day on Saturday, members will be at Spout Spring from 8:30 a.m. until 5 p.m.; at Harvey's Market and on Main Street in Pamplin from 8:30 a.m. until 4 p.m.; at Evans' Store in Evergreen from 8:30 a.m. until 5 p.m.; at Franklin's Store in Vera from 8:30 a.m. until 4 p.m.; and at Oakville School in Oakville from 8:30 a.m. until 5 p.m.

County citizens are asked to cooperate again this year by stopping by one of these convenient locations and making your contribution to this worthy organization. You may donate to any member of the Appomattox County Rescue Squad or you may mail in your donation to Appomattox County Rescue Squad, Fund Drive, Box 57, Appomattox, Va. 24522.

The 1975-76 Fund Drive is headed by Mrs. Nina Beasley, president of the squad, who is also serving as Finance Chairman. Serving with Mrs. Beasley on this committee are Nellie Almond and Ray Noble.

Mrs. Rudene Thomas is Chairman of the Publicity Committee and she is being assisted by Irene Mays, Helen Scruggs, Ray Noble and Mrs. Beasley.

YOU, the people of Appomattox County, have expressed your confidence in the Appomattox County Rescue Squad in past years by your generous donations and members of the squad feel that it is only fair to you that they maintain the latest and most efficient in equipment, training programs, and communications.

With your continued cooperation this fund drive will be the success that it has been in past years and you will continue to "Help-Us - Help Yew."

Car To Be Exhibited At Festival

A special feature of this years Historic Railroad Festival will be the exhibition, on the siding behind the Depot, of Historic Railroad Car #50. Car #50 was built by the Pullman Car Company in June 1904 as a five compartment Lounge Observation sleeping car, and it is now the oldest surviving sleeping car in the United States. The car was rebuilt in 1927 and used as an Official car for the Elgin, Joliet & Eastern Railway President until retired and offered for sale in 1964. The car is now owned by Mr. Walter Loftin of Alexandria, Va.

Over the years this car has been assigned and operated on the New York Central Railroad Company (now a part of Penn Central), the Southern Pacific or Santa Fe Railroad and the Elgin, Joliet & Eastern Railway. Since being owned privately by Mr. Loftin, Car #50 has been operated on a special U. W. Army train at Ft. Eustis, Va.in 1965; as the feature car on the rear of Excursion trains from Alexandria to Harrisonburg, Va. known as the Shenandoah Valley Specials; as a lounge and on public exhibit during Alexandria Days Celebration in 1966; on display on the Historic Everett Railroad in Everett, Pa.; on six special trains operated in connection with the 1967 Bedford (Pa.) Fall Festival; on display at Winchester, Va. during the 1971 Apple Blossom Festival and during the 1974 Virginia Festival of Independence and the Alexandria Bi-Centennial Celebration.

The early modern history of passenger railroading in the United States has been spanned by this Historic Car #50, and is believed to have been traveled by many famous persons. A 'Special Train' at this years Festival, there will be a small admission charge to help defray the expense of transporting Car #50 to Appomattox from Alexandria.
